OUR PRODUCTS

ABSOLUTE BLACK GRANITE

Absolute Black Granite is an Indian Granite. This is also known as Jet Black Granite. Absolute black is mostly used in making high-end kitchen countertops, gravestones, and tombstones. It is one of the darkest granite available. A solid black stone with no porosity makes it one of the highest-grade natural stone

BLACK GLAXY GRANITE

Black Galaxy Granite is black colored granite containing small golden and silver specks in the background. It is also known as the star galaxy.

The number and size of the golden and silver flecks are different in different blocks. The quality of this granite depends on the size, number and distribution of the golden flecks in the slab or tile.

CHIMA PINK GRANITE

Chima Pink is a beautiful granite from Rajasthan.

This granite is a premium version of Rosy Pink Granite. It has a light pink base with flowers and crystals of grey white and black. It has lesser black and grey crystals and more white and pink flowers, which gives extra brightness to this material. This is a popular choice for flooring and Kitchen in the Middle East, Turkey, and Europe
